The NSF-CREST Center for Cellular and Biomolecular Machines is excited to bring local high school students to UC Merced, again, this summer! Our center is currently looking for mentors and volunteers in STEM fields who may be interested in participating in STEP this summer. We can offer different levels of involvement based on interest.

- Mentor High School Students -
- Give Scientific Talk to STEP Participants -
- Lead STEM Activity -
- Provide Lab Tours -

The NSF-CREST Center for Cellular and Biomolecular Machines is excited to bring local high school students to UC Merced, again, this summer!
