

Student Success Internship Symposium Poster Session

Wednesday, April 24, 2019 | 4:00PM - 5:30PM | KL 355

Thirty-three on-campus undergraduate internship projects will be featured at the Symposium. Each intern has gained valuable experience that relates to their professional goals and enhances their academic and career development. Come by and chat with the interns about their work and the experiences they had along the way.

Brought to you by The Office of Undergraduate Education and
The Center for Career & Professional Advancement

Refreshments will be served
